What's In It For Me?

Often, before someone does something or commits himself to do something, he wants to know. "what's in it for me?" He desires to know what good he will gain from it. Well, consider the good that one can receive when he obeys the Gospel.

He can have his sins forgiven! Peter said in Acts 2:38, "*Repent and let everyone one of you be baptized for the remission of sins!*" When one obeys the gospel, he can have his sins washed away in the blood of Christ!

He can have the hope and promise of a home in Heaven! Jesus said, "*Not everyone who says to Me. 'Lord, Lord' shall enter the kingdom of heaven, but he who does the will of My Father in heaven*" (Matt 7:21). By obeying the Gospel, he can have the promise of that inheritance reserved in heaven.

He can call God his Father! When one obeys the Gospel, he is born again. He becomes a child of God. And as a child of God, he can cry out "*Abba, Father*" (Gal 4:6).

He can pray to God and know that his prayers will be heard! The Holy Spirit said, "*Now we know that God does not hear sinners; but if any one is a worshiper of God and does His will, He hears him*" (John 9:31).

When we consider the good that we can receive from obeying the gospel, it should cause us to want to obey His word! Don't you want to obey the Gospel?

How Do You Spend Your Time?

While there are inequalities in everyone's life, there is one great equalizer. We all have the same amount of time each day.

We lead busy lives. It is important to set priorities so that we get the most important things done in our day, and in our lives.

Just how do we spend our time? The average life expectancy is 79 years. We spend 26 years sleeping. 10.4 years on TV and entertainment. 10.3 years working. 9.5 years fixing hair, deciding what to wear, and shopping. 4.3 years driving. 3.7 years eating. 2 years watching commercials. 1.5 years in the bathroom. That still leaves approximately 11.3 years of discretionary time.

Now let's consider our priorities. To read the whole Bible in a year would take 12-15 minutes a day. To read the Old Testament in a year would take 9-10 minutes a day.

To read the New Testament in a year would take only 3-5 minutes a day.

If we set aside just a small portion of our time each day for Bible reading it will impact the rest of our time for the better. After reading Scripture, is a good time to pray, and much good comes from prayer. Our attitude and interaction with people will improve, providing opportunities for evangelism and helping others.

A new habit starts to take hold after just 18 days and becomes automatic behavior after two months. We should make a commitment today to read our Bibles more and see the impact on our lives.
